

Accelerate Your Global Digital Supply Chain

THE CHALLENGE

For years, life sciences companies have struggled to find the right tools and processes to produce fast, consistent, and compliant global content:

- » Recreating commercial content from scratch, and managing brand alignment for fast reuse around the world.
- » Loss of control over assets, their whereabouts, and agency spend.

THE NEED

Veeva Vault PromoMats enables life sciences companies and their agencies to create and manage compliant, digital content around the world with lightening speed.

Streamlined Process

Only DAM solution with integrated medical and regulatory review

Better Compliance

Know where claims and content resides in the public domain

Speed to Market

Get more content to market faster with streamlined process

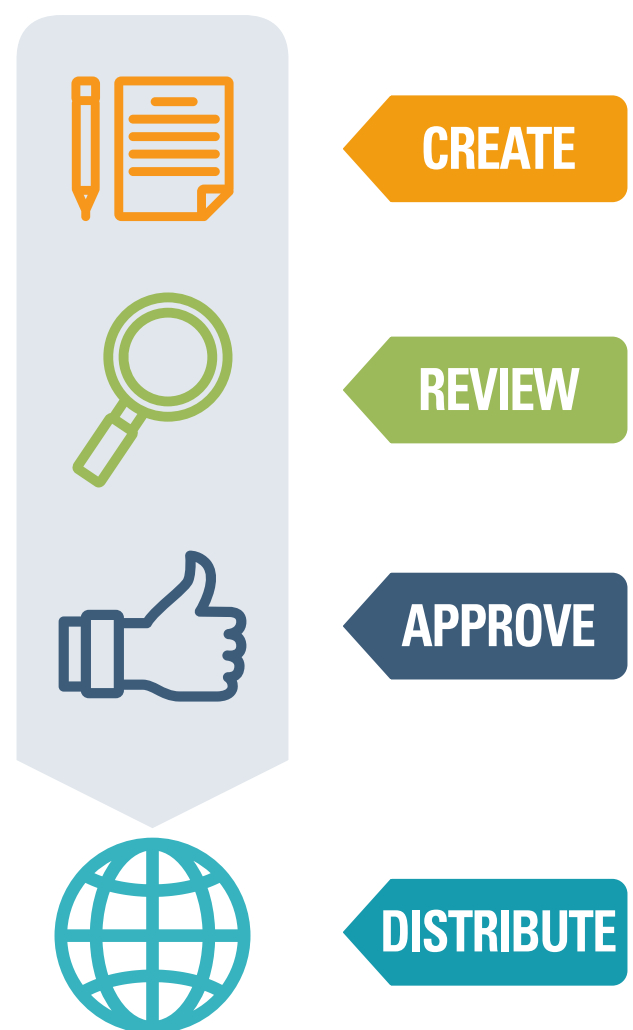

Decreased Cost

Enable global reuse of content, brand alignment, and compliance

THE IMPACT

ACHIEVE ANNUAL SAVINGS OF
\$30-50M

THE FUTURE IS A FULLY CONNECTED DIGITAL SUPPLY CHAIN
