Profile

The first time you log in to the event, update your profile with your photo. You can edit your name and photo at any time by clicking the profile icon located in the top right corner of the screen.

Agenda

You'll be able to filter sessions by track, product, language and role. You can then add relevant sessions to your personal calendar. Sessions will be made available on-demand after Summit.

Sessions

Get the latest insights from industry leaders and hear perspectives on trends shaping the future of life sciences. Session Q&A will not be available on-demand, so be sure to attend live to get your questions answered.

Ask an Expert

Get all your product questions answered and see live demos throughout the day in these interactive sessions hosted by Veeva's product team.

Exclusive On-Demand Content

Day in a Life and discovery sessions to get up to speed with Veeva solutions are available to watch on-demand starting 16 November.

Veeva Heroes

Meet the Veeva Heroes who are driving innovation and helping to pave the way for transformational change across the industry. Get to know their stories, connect with them through networking, and attend their sessions.

Networking

View the attendee list and chat 1:1 with other attendees through the Attendees page which can be accessed by clicking on the top navigation bar.

Notifications

If you receive a chat, you will be notified through the Notification icon in the navigation bar. By clicking on the notification icon, you will be taken to the indicated item.

Technical Help

Live agents are available for any technical support issues during Summit Connect. Click the gray circle with a white question mark in the bottom right corner of the screen to chat.
