Veeva Connections

RTSM → eCOA

How it Works

Connecting Veeva RTSM to Veeva eCOA allows subject information generated by Veeva RTSM (Subject ID) to automatically populate in Veeva eCOA.

Business Benefits

Better site experience.

Saves time by eliminating the need to re-enter data.

Improves data integrity.

Eliminates errors that could be introduced during duplicate entry.

Saves time and effort.

Eliminates subject data reconciliation and custom integrations with reduced maintenance effort through a productized connection within a single ecosystem.

Utilizing the Veeva RTSM connections increases quality and efficiency through process optimization and simplifies the user experience, saving time and effort. And when you're connected with Veeva, you get extra value — these connections are included and maintained by Veeva, with no additional license fees.
