

Accenture Veeva Partnership

Delivering R&D and Quality Transformation at Scale

Accenture-Veeva Services Partnerships

Everest Group has positioned Accenture as the highest-designated Leader on both the Vision and Capability axis and Market Impact axis in its [Veeva Services PEAK Matrix® Assessment 2025](#). We believe the following strengths contributed to our Leader positioning:

- **Top-tier Veeva credibility:** Premier Services Partner (highest tier) across Commercial and Development Clouds, aligned to Veeva’s roadmap.
- **Global transformation at scale:** Proven offshore-to-on-site delivery model and deep implementation expertise for complex, multi-market programs.
- **Execution-led differentiation:** AI-certified Veeva migration capabilities and a one-team culture that accelerates alignment and de-risks delivery.

About Accenture

Accenture is a leading solutions and services company that helps the world’s leading enterprises reinvent by building their digital core and unleashing the power of AI to create value at speed across the enterprise, bringing together the talent of our approximately 786,000 people, our proprietary assets and platforms, and deep ecosystem relationships. Our strategy is to be the reinvention partner of choice for our clients and to be the most client-focused, AI-enabled, great place to work in the world. Through our Reinvention Services we bring together our capabilities across strategy, consulting, technology, operations, Song and Industry X with our deep industry expertise to create and deliver solutions and services for our clients. Our purpose is to deliver on the promise of technology and human ingenuity, and we measure our success by the 360° value we create for all our stakeholders.
