

Your trusted partner in your journey towards **Vault CRM and OpenData.**

CRM, DATA & INTEGRATION SERVICES

Nubérica is a Veeva Preferred Certified Partner with more than a decade of experience dedicated to Life Sciences. We help pharma and biotech companies evolve and get more from their Veeva ecosystem, from Vault CRM to Data, integrations, and tailored solutions.

As Veeva technology continues to evolve, our mission remains the same: **make complexity simple and innovation practical.** Our multi-certified team works side by side with customers to translate new capabilities into solutions that fit their processes, users, and business objectives.

Nubérica Services for Vault CRM

Support. Optimize. Evolve.

Make the most of your Veeva investment with experienced support throughout the entire CRM lifecycle. From strategy and global rollouts to supporting your Vault CRM implementation, migration, optimization and ongoing maintenance, we deliver practical solutions aligned with your business processes, users and long-term objectives.

Data & Connected Solutions

Clean Data. Smart Integrations. Better Engagement.

Turn trusted data into meaningful customer engagement. We help Life Sciences companies improve data quality, connect Veeva with HCP portals and enterprise platforms, and streamline information flows across their ecosystem, creating reliable, integrated solutions that support better decisions and more effective interactions.

OpenData Services

Clean Data, Clear Decisions.

Veeva OpenData services, HCP/HCO matching and support for transitions to OpenData 2.0.

ConsentLink

HCP Consent, One Click Away.

Multichannel consent from Vault CRM, exposed to reps and HCPs through a secure web portal.

Integrations

A connected Veeva ecosystem.

CRM, HCP portals and enterprise systems talking to each other, with the data quality to back it up.
