Introducing Villageminds

Focused Technology Delivery for Life Sciences on Veeva

Villageminds is a specialist technology consulting company dedicated to helping pharmaceutical, biotechnology, and healthcare organizations modernize how they work on Veeva.

We combine life sciences domain understanding with hands-on Veeva delivery — implementation, migration, configuration, Vault CRM X-Pages development, integrations, and managed services.

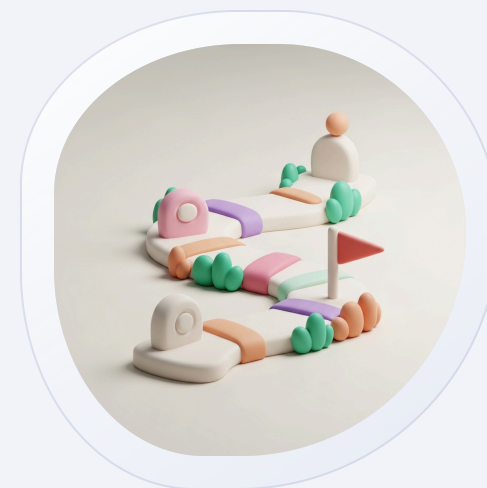

✓ Life Sciences Focus

✓ Veeva Platform Expertise

✓ Agile Delivery Model

✓ Cost-Efficient Delivery

VEEVA COMMERCIAL SUMMIT, EUROPE · 2026

2021 Today **Future Vision**
