

FOR IMMEDIATE RELEASE

Roche Selects Veeva Development Cloud Applications

Leading pharmaceutical company selects Veeva Vault applications across clinical, regulatory, and quality

PLEASANTON, CA — Oct. 12, 2020 — Veeva Systems (NYSE: VEEV) today announced that Roche (SWX: ROG) has selected **Veeva Development Cloud** applications globally to streamline clinical, regulatory, and quality processes. The company is switching to unified applications in **Vault Clinical**, **Vault RIM**, and **Vault Quality** suites to increase efficiency, enhance data quality, and drive compliance throughout the product lifecycle.

“Speeding drug development and product supply are strategic priorities for innovative life sciences companies like Roche,” said Rik Van Mol, vice president of Veeva Development Cloud. “Veeva Development Cloud breaks down system and process silos so life sciences companies can more quickly bring innovative treatments to patients.”

Roche is standardizing on clinical applications **Vault eTMF** and **Vault CTMS**, regulatory applications **Vault Submissions**, **Vault Registrations**, and **Vault Submissions Archive**, and quality applications **Vault QMS** and **Vault QualityDocs**.

Learn more about Veeva Vault Development Cloud at the upcoming **Veeva R&D and Quality Summit**, October 13-14, 2020. The online event is open to life sciences industry professionals. Register and stay up to date on program details at veeva.com/Summit.

Forward-looking Statements

This release contains forward-looking statements, including the market demand for and acceptance of Veeva's products and services, the results from use of Veeva's products and services, and general business conditions (including the on-going impact of COVID-19), particularly within the life sciences industry. Any forward-looking statements contained in this press release are based upon Veeva's historical performance and its current plans, estimates, and expectations, and are not a representation that such plans, estimates, or expectations will be achieved. These forward-looking statements represent Veeva's expectations as of the date of this press announcement. Subsequent events may cause these expectations to change, and Veeva disclaims any obligation to update the forward-looking statements in the future. These forward-looking statements are subject to known and unknown risks and uncertainties that may cause actual results to differ materially. Additional risks and uncertainties that could affect Veeva's financial results are included under the captions, “Risk Factors” and “Management's Discussion and Analysis of Financial Condition and Results of Operations,” in the company's filing on Form 10-Q for the period ended July 31, 2020. This is available on the company's website at veeva.com under the Investors section and on the SEC's website at sec.gov. Further information on potential risks that could affect actual results will be included in other filings Veeva makes with the SEC from time to time.
