

# STRATEGIES TO IMPROVE SITE COLLABORATION

Neha Ramani – *Manager, Clinical Customer Success*

Frank Lin – *Director, Clinical Operations Strategy*

# Simplifying the Ecosystem for TMF Document Collection

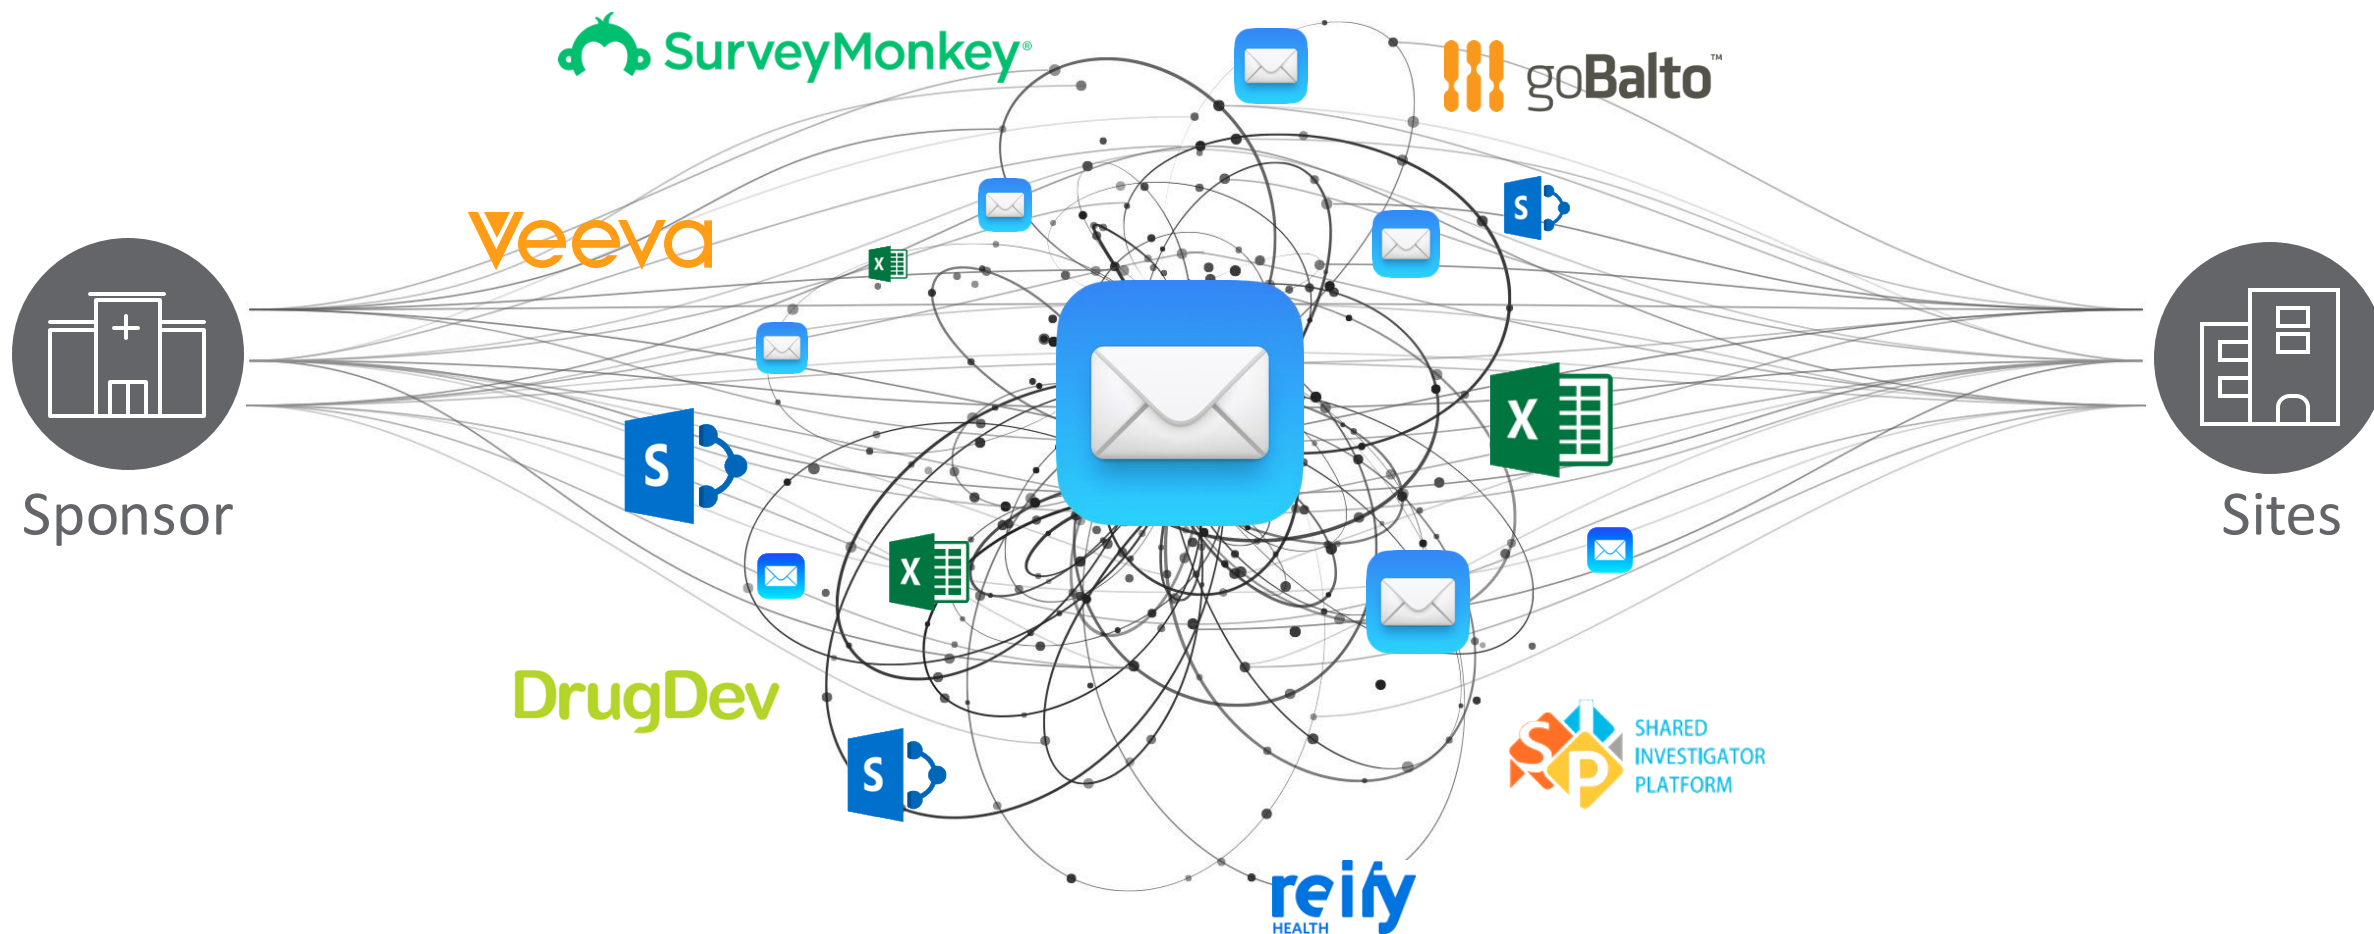

**Site  
Collaboration**

**Partner  
Collaboration**

# Current State: Site Collaboration Ecosystem

6 – 8 months to startup

# TMF Content Received from Sites

**>75%**

**Total documents by volume  
received from sites**

# Improving Site Collaboration

Streamline site interactions

Reduce manual work and duplicative efforts for the site

Standardize content generation, reuse, and document exchange processes
