- 2.2 **Mutual Right to Terminate for Cause.** Either party may terminate this Agreement, or an Order Form affected by a material breach without termination of this Agreement, if the other party materially breaches this Agreement and does not cure such breach (or, if the breach is not capable of being cured, discontinues it with appropriate changes to ensure that it is not repeated) within thirty (30) days after receiving written notice of breach from the other party. Either party may terminate this Agreement immediately if the other party terminates or suspends its business as a result of bankruptcy, insolvency, or similar event. All Order Forms and SOWs will terminate upon the termination of this Agreement in accordance with this subsection.
- 2.3 **Customer's Right to Terminate for Convenience.**

Customer may terminate this Agreement in its entirety, without cause and for any reason, including convenience, upon ninety (90) days' prior written notice to Veeva. The effective date of termination will be the later of (i) 90 days from the notice date; or (ii) the date specified by Customer and set forth in the notice, if any, but not to exceed one year (the **"Effective Date of Termination"**). If Customer grants its employees, Affiliates, or any other third parties access to a Veeva Product, Customer will ensure such parties are aware of, and adhere to, the terms of this Agreement. If any such entities or individuals breach this Agreement, Customer is responsible for any such breaches.

3.4 **General Restrictions.** Except where applicable law prohibits such restrictions, Customer shall not: (i) license, sublicense, sell, resell, rent, lease, transfer, distribute, time share, or otherwise commercially exploit or make available the Veeva Products to any third party other than as contemplated by this Agreement; (ii) create derivative works of, disassemble, reverse compile, or reverse engineer any part of the Veeva Products or associated documentation, or access the Veeva Products or associated documentation to design, develop, or build a similar or competitive product or service (or engage a third party to do so); (iii) use the Veeva Products to send spam or to otherwise use the Veeva Products in violation of applicable laws (including the applicable export control laws); (iv) use the Veeva Products to send or store infringing, obscene, threatening, libelous, or otherwise unlawful or tortious material; or (v) use the Veeva Products in a manner that may interfere with the use of the software or systems of others, including by conducting any form of penetration testing or vulnerability scanning (except as expressly authorized by Veeva in writing).

4 Ordering.

4.1 **Order Forms for Veeva Products.** Veeva Products ordered by Customer will be listed on a mutually executed Order Form. Each Order Form is governed by the terms of this Agreement. If there is a conflict between the general terms of an Order Form and the Agreement, the Agreement will govern, except as to which Veeva Products were ordered, the Order Form Term, the fees, Usage Metric, currency, payment terms, and any Supplemental Terms specified in the Order Form. Fees and payment obligations are non-cancelable and non-refundable unless otherwise specified in an Order Form or this Agreement.

4.4 **Other Ordering Documents.** From time to time, Veeva may specify other forms of ordering documents to purchase certain Veeva Products or services as specified in the applicable Supplemental Terms. Such other forms (a) must be signed by the parties and (b) will be governed by the terms of this Agreement. If there are any conflict or discrepancy between those other ordering documents and this Agreement, the Agreement will govern except as expressly provided in the Supplemental Terms.

4.5 **Affiliate Ordering.** Customer's Affiliates may place orders from Veeva and Veeva Affiliates for Veeva Products and Professional Services pursuant to the terms of this Agreement. Affiliates that execute an Order Form or SOW directly with Veeva will be treated as Customer for the purposes of such Order Forms and SOWs.

Veeva will retain full responsibility for the performance of its obligations under this Agreement, including any obligations it performs through subcontractors, and will be fully responsible for all acts or omissions of its subcontractors. The use of any subcontractors by Veeva does not relieve or release Veeva from any of its obligations under this Agreement.
- 5.4 **Privacy Practices.** Veeva maintains documented policies, procedures, and practices regarding the processing of Customer Data that is Personal Data. With respect to the processing of Customer Data that is Personal Data, the parties will comply with the Veeva Privacy Terms.

Customer authorizes Veeva and its Affiliates to access, use and otherwise process Customer Data to provide the Veeva Products and Professional Services pursuant to the Agreement (including, as described elsewhere in the Agreement, to provide support for the Veeva Products, to triage suspected Veeva Product defects, to monitor the usage volume and performance of the Veeva Products, to diagnose performance issues, to provide backup and disaster recovery services, and to perform upgrades). Customer further authorizes Veeva to process Customer Data (including Personal Data) as required to anonymize and aggregate it for the purpose of generating System Data. Veeva does not process the following categories of Customer Data to generate System Data: (i) third-party proprietary data that Customer has loaded into the Software, (ii) any Personal Data of patients or clinical trial subjects, (iii) any data from custom fields created by Customer, or (iv) the substantive content of any files stored in the Software by Customer. Veeva's processing to generate System Data, and its use and disclosure of System Data, complies with all applicable laws and regulations (including applicable data protection laws).

7 Intellectual Property Rights.

- 7.1 **Customer Data.** Customer owns, and will retain all right, title, and interest in and to, all Customer Data.
- 7.2 **Deliverables.** Upon payment for the associated Professional Services, Veeva hereby assigns to Customer all right, title, and interest in all Deliverables. - 7.3 **Veeva.** Veeva owns, and will retain all right, title, and interest in and to, (i) Veeva Products, the documentation, all modifications and/or enhancements to the Veeva Products (regardless of the source of inspiration for any such enhancement or modification and regardless of whether Customer has provided input regarding such modifications and/or enhancements), and all inventions or discoveries embodied within the Veeva Products, (ii) proprietary education or training content, (iii) Veeva Professional Services Tools, and (iv) System Data.
- 7.4 **Third Party Data and Content.** If Customer stores data or content purchased or licensed from a third-party data provider in a Veeva Product, Customer is solely responsible for ensuring its use, processing, reporting against, combination, commingling, and manipulation of such data or content is in compliance with its agreements with the data provider.

8 Confidential Information.

- 8.1 **Protection and use of Confidential Information.** Each party: (i) may share the other party's Confidential Information with its Affiliates, representatives, and consultants (each an "**Authorized Third Party**") who are bound by an obligation of confidentiality to the party that is as protective of Confidential Information as this Agreement and, with respect to representatives and consultants of Customer, who are not Restricted Competitors; (ii) will use (and will ensure that the Authorized Third Parties use) reasonable efforts (but no less than the efforts used to protect its own Confidential Information of a similar nature) to protect the other party's Confidential Information from unauthorized disclosure; and (iii) may use the other party's Confidential Information only as authorized by this Agreement or by the other party.
- 8.2 **Required Disclosures.** Notwithstanding the preceding subsection, a party may disclose the other party's Confidential Information to the extent required by an administrative or court order, government or regulatory investigation or requirement, or arbitration or litigation arising out of this Agreement; provided that a disclosing party promptly notifies the other party, prior to a disclosure pursuant to this subsection, in order to enable the other party time to seek a protective order or otherwise challenge or oppose the disclosure requirement, unless such notice is prohibited by law.

9 Payment.

9.1 **Payment terms.** Payment terms are as set forth in each Order Form and SOW.

9.2 **Late Payment.** Each Order Form and SOW will specify the payment due date. If Customer fails to pay within thirty (30) days of the payment due date, and Customer has not disputed the amounts in good faith in writing to Veeva, then, upon fifteen (15) days' notice to Customer, Veeva may suspend Customer's access to the applicable Veeva Product, or suspend the applicable Professional Services, until payment is made.

9.3 **Taxes.** All fees and other charges payable by Customer to Veeva under this Agreement are stated exclusive of all federal, state, local and foreign taxes, levies and assessments of any nature (including value-added, use or withholding taxes). Customer agrees to bear and be responsible for the payment of all such taxes, levies and assessments imposed on Customer or Veeva arising out of this Agreement, excluding any tax based on Veeva's net income. All payments to Veeva shall be made without deduction or withholding for taxes. If any such deduction is legally required, Customer will pay the tax to the authority and increase its payment so that Veeva receives the full amount originally due.

10 Warranties

10.1 **In general.** Each party represents and warrants that (i) it has the legal power to enter into this Agreement; (ii) this Agreement is executed by a duly authorized representative of that party; and (iii) once duly executed, this Agreement will constitute its legal, valid, and binding obligations.

10.2 **Veeva Warranties.** Veeva represents and warrants as follows:

(a) The Veeva Products will perform substantially in accordance with the applicable Service Description Document during the applicable Order Form Term and Veeva will not materially decrease the overall functionality of the Veeva Product as described in the Service Description Document. Customer must notify Veeva in writing of any claim of breach of warranty relating to Professional Services within ninety (90) days of completion of the Professional Services engagement (normally a SOW) under which the Professional Services were delivered. For any breach of warranty claim relating to Professional Services, Customer's exclusive remedy and Veeva's entire liability will be for Veeva to re-perform the deficient Professional Services at no additional cost to Customer.

10.3 **Disclaimer.** EXCEPT AS EXPRESSLY PROVIDED HEREIN, VEEVA MAKES NO WARRANTIES OF ANY KIND, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, AND SPECIFICALLY DISCLAIMS ALL IMPLIED WARRANTIES, INCLUDING ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW. Customer may not settle or compromise any indemnified claim, action, or allegation, except with prior written consent of Veeva. Veeva may not, without Customer's prior written approval, enter into any settlement of an indemnified claim that imposes a direct financial liability on Customer or includes an admission of fault by Customer. Customer will cooperate with Veeva in the defense and settlement of an indemnified claim and provide such non-monetary assistance and information as Veeva may require to settle or defend indemnified claims.

12 Limitation of Liability.

- 12.1 **CONSEQUENTIAL DAMAGES.** IN NO EVENT WILL EITHER PARTY BE LIABLE FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL, PUNITIVE, OR EXEMPLARY DAMAGES OR ANY LOSS OF REVENUE, PROFITS, DATA, OR DATA USE ARISING OUT OF THIS AGREEMENT.
- 12.2 **LIMITATION OF LIABILITY.** EACH PARTY'S MAXIMUM LIABILITY IN CONNECTION WITH THIS AGREEMENT, ON THE BASIS OF ANY THEORY OF LIABILITY OR CAUSE OF ACTION, WILL BE LIMITED TO THE GREATER OF (A) THE FEES COLLECTED BY VEEVA FROM CUSTOMER PURSUANT TO THIS AGREEMENT IN THE TWELVE MONTHS PRECEDING THE IMPOSITION OF LIABILITY (OR IF LIABILITY ARISES IN THE FIRST TWELVE MONTHS OF THE TERM, THEN THE FEES PAYABLE TO VEEVA DURING THE FIRST TWELVE MONTHS OF THE INITIAL ORDER FORM TERM) OR (B) ONE MILLION DOLLARS (\$1,000,000).

Customer is responsible for such Customer-specific use decisions and Veeva disclaims all liability for such decisions.
- 13.3 **Audit.** Customer may, at Customer expense, audit Veeva one time per year to confirm compliance with Veeva responsibilities pursuant to this Agreement. The Customer representative(s) performing such audit or inspection shall execute a nondisclosure agreement with Veeva in a form acceptable to Veeva with respect to such confidential treatment and restricted use of Veeva's Confidential Information. Access at Veeva's and its third-party hosting facilities shall be subject to Veeva's and its hosting partner's reasonable access requirements and security policies. - 14.2 **Dispute Resolution.**
- (a) In the event of a dispute between the parties, the parties must first attempt to resolve by face-to-face negotiation, which for the avoidance of doubt may include meeting via teleconference or other virtual means, with employees from each party with a title of vice president or higher in attendance.
- (b) If the parties fail to resolve by negotiation, then the parties must attempt to resolve the dispute through non-binding mediation. The mediation will last at least eight hours (unless otherwise agreed by the parties). The parties will share the cost of the mediator equally. If the parties cannot agree to a mediator, then Veeva will propose three experienced, neutral mediators, and Customer will select one from the list of three proposed by Veeva.

(c) If the parties cannot resolve the dispute through negotiation and mediation, then a party may submit the dispute to binding arbitration in California. The arbitration otherwise will follow the Commercial Arbitration Rules of the American Arbitration Association in effect at the start of arbitration and be governed by the Federal Arbitration Act. The submitting party must send a written Demand for Arbitration to the other party. 17 Waiver, Entire Agreement and Amendments, Representations, Severability and Purchase Orders.

(a) The failure of either party to enforce at any time any of the provisions of this Agreement, or the failure to require at any time performance by the other party of any of the provisions of this Agreement, will not be construed to be a waiver of such provisions, or in any way affect the right of either party to enforce such provision thereafter.

(b) This Agreement encompasses the entire agreement between Customer and Veeva with respect to the subject matter hereof and supersedes all prior representations, agreements and understandings, written or oral. This Agreement may not be altered, amended, or modified except by written instrument signed by the duly authorized representatives of both parties. If any provision, or portion thereof, of this Agreement is or becomes invalid under any applicable statute or rule of law, it is to be deemed stricken and the rest of this Agreement will remain in full force and effect. The terms and conditions appearing on any purchase order issued by Customer for this Agreement, if any, will not change, add to, or modify the terms or conditions of this Agreement and will have no effect.

(c) Customer and Customer's authorized representative have had an opportunity to review the Supplemental Terms referenced in this Agreement which are made available on Veeva's website at www.veeva.com/contracts/ and agree with such terms. In order to address changes in markets, business environment, or legal requirements, Veeva may modify such Supplemental Terms, and such changes will become effective for the applicable Veeva Products upon Customer's next Order Form renewal.

(d) Customer acknowledges and agrees that in entering into this Agreement it does not rely on any statement, representation (whether innocent or negligent), assurance, or warranty (whether or not in writing) of Veeva, a Veeva Affiliate, or any other person (whether or not party to this Agreement) other than as expressly set out in this Agreement. Customer specifically agrees that it has not relied upon, and its purchase of subscriptions is not contingent upon, the future availability of any software, products, services, programs, modifications, enhancements, or updates in entering into the payment obligations in this Agreement.

18 Assignment.

Neither party may transfer or assign this Agreement without the other party's prior written consent, except (i) to a successor in interest following a merger or other change of control, or (ii) to an Affiliate upon receipt of thirty (30) days' notice from the assigning party. In the event an Affiliate to which this Agreement is assigned fails to meet its obligations under this Agreement, the assigning party will remain liable for such obligations.

This Agreement may be executed in counterparts and exchanged electronically or via electronic signature. Each such counterpart will be deemed to be an original and all such counterparts together will constitute one and the same Agreement. The authorized representatives of the parties have executed this Agreement by their signatures below:

Exhibit A – Veeva Software Service Levels and Support Terms

1 Software Availability.

1.1 Commitment. The Software will be available 99.5% of the time (24x7x365), except as provided below. Software availability will be calculated on a per application per calendar quarter basis, as follows:

$$\frac{\text{total} - \text{non-excluded-excluded}}{\text{total-excluded}} > 99.5\%$$

For purposes of calculating availability and determining the applicable remedies, the following definitions apply:

- “**application**” means each distinct Software product for which Customer has a subscription. If Customer maintains more than one hosted instance of a Software product, each such instance shall be considered an application for purposes of this section (e.g., any distinct, regional Vault databases for the same Software will be treated as a separate application).
- “**downtime**” means a measurement interval during which time the applicable Software is not responsive to an automated request (“**Monitoring Transaction**”) generated by Veeva’s monitoring software. Measurement intervals for Monitoring Transactions are no more than five (5) minutes on a 24X7 basis. Monitoring Transactions used for the availability calculation include network and application availability requests. The monitoring process does not cover every feature of the Software. With respect to such features, Veeva will investigate any suspected availability problem reported by Customer or which it otherwise becomes aware of and take all commercially reasonable efforts to correct any such issues that can be verified by Veeva.
- “**total**” means the total number of minutes for the applicable quarter.
- “**nonexcluded**” means downtime that is not “excluded.”
- “**excluded**” means the following:
 - Any planned downtime of which Veeva gives Customer at least 8 (eight) hours’ notice. Veeva will use commercially reasonable efforts to schedule all planned downtime during non-peak usage times (*i.e.*, the hours from 6:00 p.m. Friday to Sunday midnight, U.S. Pacific Time).
 - Any downtime caused by circumstances beyond Veeva’s reasonable control, including without limitation, a Force Majeure Event.
 - “**calendar quarter**” means any of the following four periods: (a) January through March, (b) April through June, (c) July through September, and (d) October through and December. For any partial calendar quarter during which Customer subscribes to the Software, availability will be calculated based on the entire calendar quarter, not just the portion for which Customer subscribed.

1.2 Remedies. Should Veeva fail to meet the Software availability commitment for a Software application in a calendar quarter, Customer shall have the option of one (but not both) of the following: First, Customer may receive credit for one full day of the affected Software application (as of the end of the calendar quarter in which the failure occurred), for each full or partial hour the Software availability was below 99.5%. Veeva will apply any such credit to Customer’s next invoice (or refunded if there are no forthcoming invoices). Second, if Veeva fails to meet 98% Software availability for a Software application in a calendar quarter, Customer may terminate this Agreement and stop all use of the Software, in which case Veeva will refund to Customer any prepaid fees for the remainder of any active Order Form Terms after the date of termination. The remedies specified in this “Remedies” section are the sole remedies available to Customer for breach of Veeva’s Software Availability Commitment.

1.3 Reporting and Claims. Customer must file a claim to be eligible for one of the remedies specified above by sending an email to sla@veeva.com with the following details:

- Billing information, including company name, billing address, billing contact, and billing contact phone number;
- Downtime information with dates and time periods for each instance of downtime during the relevant calendar quarter; and
- An explanation of the claim made under this Agreement, including any relevant calculations.

Claims may only be made on a calendar-quarter basis within thirty (30) days of the end of the relevant calendar quarter, except for periods at the end of this Agreement that do not coincide with a calendar quarter, in which case Customer must make any claim within thirty (30) days after the end of this Agreement. All claims will be verified against Veeva’s system records. Should any periods of downtime submitted by Customer be disputed, the parties shall resolve the dispute in accordance with this Agreement.

2 Veeva Support Obligations

2.1 Support of Veeva System Administrators. Veeva provides telephone and email support for Customer’s Veeva administrators at no additional charge with the following parameters:

Issue Type	Support Time	Response Time	Initiated By
Level 1	24/7	1 hour	Web portal case on Veeva website or phone call
Level 2	During Support Hours in the local time of the Support Region	4 business hours	Web portal case on Veeva website

Level 3	During Support Hours in the local time of the Support Region	1 business day	Web portal case on Veeva website
Level 4	During Support Hours in the local time of the Support Region	2 business days	Web portal case on Veeva website

2.2 Support Hours. Veeva provides support during the following hours (“**Support Hours**”) from the three following regions (each a “**Support Region**”) in the time zones listed for each:

- North America: 8:00 AM to 8:00 PM Eastern Time, as seasonally adjusted for daylight savings
- Europe: 9:00 AM to 6:00 PM Central European Time, as seasonally adjusted for daylight savings
- Asia Pacific: 9:00 AM to 6:00 PM Local Time

This support is available for administrators working for or on behalf of Customer to configure, maintain, manage, and support the Software. This support is not available for direct support of Customer’s end users. There is no limit to the number of support cases that may be opened. Online self-service resources are available 24/7 both within the application and on the Veeva customer support portal.

2.3 Service Level Classification. Customer administrators will be asked to classify support incidents upon logging a support ticket in accordance with the following support incident definitions:

Level 1 – Urgent. Critical production issue affecting all users, including system unavailability and data integrity issues with no workaround available, including:

- The production application is not available.
- The application is in production and malfunctions such that a significant portion of users cannot perform their daily tasks and there is no reasonable workaround.
- The application has a security-related error.
- Any other issue that has a material adverse impact on the Customer’s business.

Level 2 – High. Major functionality is impacted, or significant performance degradation is experienced. Issue is persistent and affects many users and/or major functionality. No reasonable workaround available.

Level 3 – Normal. System performance issue or bug affecting some but not all users. Short-term workaround is available, but not scalable. Also includes time-sensitive requests such as requests for feature activation or a data export.

Level 4 – Low. Inquiry regarding a routine technical issue; information requested on application capabilities, navigation, installation, or configuration; bug affecting a small number of users. Reasonable workaround available. Resolution required as soon as reasonably practicable.

2.4 Support Portal. Customer may track the status of support issues via the Veeva customer support portal.

Exhibit B – Standard Usage Metrics & Software Terms

1 Usage Metrics.

The following are Veeva's standard "Usage Metrics" applicable to Veeva Product subscriptions:

1.1 User Subscriptions. A "User" means an identifiable and specific person to whom Customer has granted the right to access and use the applicable Veeva Product. A User may be an employee of Customer or its Affiliates, or (subject to the Third Parties and Competitors section below and any restrictions within the applicable Supplemental Terms) a permitted third party such as an agent, contractor, or representative. For any Veeva Products licensed on a per "User" basis, Customer is restricted to the number and type of Users (or such other usage limitation) as set forth in the applicable Order Form. Unless specified in an Order Form, the number of User subscriptions cannot be decreased during the applicable Order Form Term. Individuals may not share or concurrently use a single User subscription during an Order Form Term, but Customer may transfer subscriptions in accordance with this subsection.

1.2 User Subscription Transfers. Customer may transfer a User subscription from one person to a new person provided that: (i) the person from whom the subscription is transferred no longer accesses or uses the applicable Veeva Product during the Order Form Term; (ii) the new person has not previously been a "User" during the applicable Order Form Term; and (iii) the new person is eligible to receive the applicable subscription (e.g., is located in the same region or is of the same user type).

2 Software Terms.

The following terms ("Software Terms") apply to the extent Customer has an active Order Form for Software.

2.1 Mobile Applications. If Veeva makes available any features or functions of the applicable Software as a Mobile App, Customer may download, access, and use the Mobile App during the Order Form Term. "Mobile App" means a Veeva-created application intended to be downloaded and installed on a mobile device that provides access to certain Veeva Products through such application rather than through a web browser.

2.2 Third Parties and Competitors. Subject to any usage limitations described in the applicable Order Form or Statement of Work, Customer may permit third parties to access and use the Software solely for its internal business operations. Customer is responsible for ensuring that such third parties comply with the terms of this Agreement. The third parties listed at www.veeva.com/third-party-access-and-ai-model/ (the "Restricted Competitors") are required to execute Veeva's standard access agreement to authorize their access to the Software and protect Veeva's intellectual property. If Veeva modifies the list of Restricted Competitors, Veeva will notify the newly added Restricted Competitor that a standard access agreement will be required within ninety (90) days of notice for its continued access to the Software.

2.3 Return and Destruction of Customer Data. Unless otherwise stated in an Order Form, upon termination or expiration of all Order Forms for a particular Software application, Veeva will ensure that Customer has access to the Customer Data via such Software application for a period of no less than thirty (30) days ("Retrieval Period"). In no event may Veeva preclude Customer from accessing or retrieving the Customer Data during the Order Form Term or during the Retrieval Period. Unless otherwise stated in an Order Form, after termination or expiration of all Order Forms for a particular Software application (i) Veeva shall permanently delete all Customer Data held in the production environment and any sandboxes for such Software application within 120 days, and (ii) Veeva will ensure that Customer Data included in system back-ups for any such Software application are stored in encrypted form and are deleted pursuant to Veeva's then-current back-up deletion process. Upon written request from Customer, Veeva will provide written certification from an executive officer confirming Veeva's compliance with this clause.

2.4 Software Updates. Major release upgrades are typically undertaken up to three (3) times per year. Veeva will provide Customer at least one (1) month prior notice (normally via email) before performing a major release upgrade. Such upgrade notice will include the window in which the upgrade will be conducted and any release notes. Customer will have access to such upgrades in a sandbox environment for a minimum of two (2) weeks before the major release upgrade. Advance notification may not be given for minor upgrades or patches provided such upgrades and patches are not intended to cause system unavailability (however, Veeva will notify Customer by email of details of the minor upgrades/patches post implementation). All upgrades and patches are mandatory.

2.5 New Products. Veeva may introduce new functionality for which it charges an additional or separate fee, and Customer may choose whether or not to purchase such new functionality at Customer's sole discretion. If Veeva removes any features or functionality from the Software provided pursuant to this Agreement and subsequently offers those features or functionality in a new product, then the Software provided pursuant to this Agreement will be deemed to include (i) the portion of the new product that contains the original features, or (ii) if those features cannot be separated out, the entire new product.

2.6 Custom Code. The Software may enable Customer to create or implement its own custom code, prompts, and integrations with third-party applications or to otherwise create custom modifications or extensions not provided by Veeva (collectively, "Customizations"). Veeva makes no representations or warranties with respect to, and disclaims all liability arising from, any Customer Customizations or their interaction with the Software. Veeva has no obligation to support or maintain any Customer Customizations.

2.7 Infrastructure. Veeva reserves the right to change existing infrastructure, hardware, and underlying software used to provide the Software as expansion and new technology require. Veeva assumes no responsibility for delays or problems that result from Customer's computing or networking environment, Customer's third-party vendors, and/or Customer's local or long-distance telephone carriers or ISPs. Use of the Software requires certain third-party applications, including a web browser, operating system, and other third-party applications. The third-party applications supported by Veeva and Veeva's policies with respect to such applications are as set forth in Veeva's documentation for the Software.

2.8 Backup. All Customer Data is copied at least daily to a secure and physically remote secondary data center. Customer may audit Veeva's backup and recovery procedures once per calendar year for the purposes of confirming appropriate backup and recovery procedures and capabilities are in place and working effectively.

2.9 Disaster Recovery. In the event of a disaster that renders the primary data center inoperable, disaster recovery procedures will be followed. The recovery procedures involve restoring the last backup of Customer Data to the secondary data center. The Software will have disaster recovery procedures with a Recovery Point Objective (RPO) of not more than 4 hours and a Recovery Time Objective (RTO) of not more than 24 hours.
